

# SEA-KAYAKER STYLE

Sharp view

Cag North Cape Tritex  
the most comfortable sea kayak and  
expedition cag!

Live vest just in case

Me in front of an iceberg

GPS to avoid getting lost

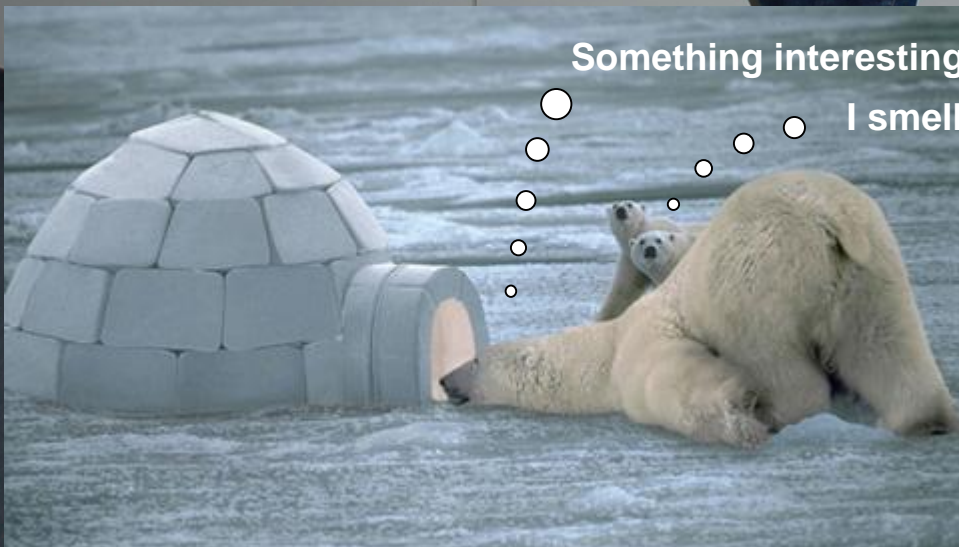

Polarized sun glasses  
to minimize reflections  
on the water

Knife to cut the fish for dinner

Distress rocket in the  
pocket for protection  
against polar bears

Talkie walkie for on  
water communications

5mm neoprene kayak  
gloves for the coldest  
weather conditions

Something interesting in there?

I smell something!
